A typical Treasure Hunt lasts 2-3 hours and covers a distance of around 2.5 miles. A team of 2-6 is recommended. Wear comfortable shoes and remember to charge your phone!

Bristol's COVID Alert Level is currently Medium (tier 1). The same rules apply as if you were meeting in a park, as everything is outdoors:

You can play with up to 6 people. They can be from different households.

You must follow social distancing guidelines with people from other households.

Keep your distance from people outside your household.

Your team can all play from their own phones.

The route is designed so you can avoid other people.

Bring a face covering in case parts of the city are busy.

Avoid touching things in the city- the game does not require you to touch anything except your own phone.
